Kerala Location MapKerala District MapKerala City MapKerala Tehsil Mapara Road MapKerala Physical MapKerala Rail MapKerala Travel MapKerala MapKerala Map Map Geographically located in the southwestern part of the Malabar coast of India. Kerala was granted statehood status on November 1, 1956. Many Malayalam regions have banded together to make this beautiful state, which extends over an area of 38,863 sq km (15,005 sq m) square kilometers. It is located at the very end of the southwestern peninsula of India, located between the western Ghats in the east and the Arabian Sea in the west. It borders Karnataka to the north and northeast, Tamil Nadu to the east and south, and the Lakshadwip Sea to the west. According to the 2011 census, 33,387,677 residents live peacefully in Kerala. The diverse demographics, different traditions and culture have made it one of the most attractive tourist destinations in India. Kerala tops among Indian states in development potential, mass literacy, economic parity, women's empowerment, harmony between religions, the progressive and liberal mentality of people least in corruption, etc., so Kerala got the name of God's Own Own The state has 14 districts divided into 77 taluams, 152 community development blocks, 941 Gram panchayats, six corporations and 87 municipalities. The renaming of several cities took place in the 1990s: Tiruvananthapuram (formerly known as Trivandrum), Tiruvananthapuram is the capital of the state, while the names of many other cities have also changed: Kochi, Kollikode, Kollam, Palakkad, Alappuzha and Trissur. Kerala has become one of the most popular tourist destinations in India. Natural beauty in the form of beaches, mountain ranges, wildlife, backwaters and lush green areas offers a magnificent view for visitors. There are many places to visit here. Cities and places in Kerala matter of their own. Tiruvananthapuram is the capital of the state, where traditions and modernity coexist. Beautiful beaches, monuments and museums, intricate carved temples, art galleries and greenery make the city more attractive to tourists. Since the state is teeming with nature, it has something to offer everyone. Kochi, formerly known as Kochin, is popularly known as the queen of the Arabian Sea and is also called the Gateway to Kerala Beaches, museums and islands cyrosure all tourists' eyes. The boat ride and Kathakali's live performances are impressive and attract the attention of visitors. The small town as well as the Munnar mountain station are located in the southwestern state of Kerala. Tea plantations, waterfalls, places of rest make it a famous resort town. National parks and wildlife are also attractive, and don't miss it. Activities such as rock climbing, cycling, and boating give visitors another reason to love this place. Kerala's backwaters are other important tourist destinations in the state, made up of interconnected rivers, lakes and canals that merge into the Arabian Sea. Houseboat or Kettuvallam rides and boat races during festivals are enticing to tourists. A special mention is necessary to describe the architecture of Kerala. Kerala Vastu Shastra is another name for breathtaking beauty. Traditional Theravada (homes of feudal families), shopping malls, temples and many other buildings that can be seen throughout the state give great pleasure to people's eyes. Kerala can offer its visitors much more. Magical festivals, magnificent art forms, exotic cuisines, Ayurvedic health vacations give a unique experience for tourists in the state. Alappuzha Beach Cherai Beach Kowali Koamome Beach Muzhappilangad Beach Thirumullavaram Beach Payyambalam Beach Cannur Beach at any time of year. There are no extreme climatic seasons. The monsoon is good for Ayurvedic treatment; Summer is the perfect time for those who want to visit mountain stations and backwater trips. March-May is hot and humid in the daytime. Kerala is available through a variety of modes of transport. It is easily accessible by road, railways and air. The west coast of the state is mostly affordable through national and the east coast is accessible via state highways. Rail networks spread throughout Kerala, connecting almost all major cities and cities. The state has three main international airports. This makes Kerala well connected to all the major cities and states in India. Lol Districts14 Blogs about Kerala Hollywood Movies Shot in India : What Became More Prominent Than the Story in the Movie? Loki - exotic and refined. The need to have a foreign location has become so key that sometimes the creators shoot the entire film abroad, sometimes just for the sake of it. Also, there are so many Hollywood production houses that have decided to shoot in India because it is exotic for them. However, the difference is that their stories are often apt ... Extreme Points of India : Finally, people who see the world in black and white, love limbs, and are just naturally inclined to go to paramount heights, have something for them here. You naturally like this blog talking about limbs. India has a fair share of its extreme points, ranging from the coldest spot to the lowest point on the surface. So let's just absorb this important information about our country already. Shall we? High point: K2 Being in ... Warriors COVID As this migrant worker in Kerala is a hero of difficult times : Desh Raj, a guest worker (as they are treated in Kerala) from the Karauli district of Rajasthan, is a hero in Kerala as the state fights the COVID-19. Desh Raj is a guest worker or commonly known as a migrant worker in Kerala. He came to earn a living in the state more than 17 years ago as a daily breadwinner, and he is one of the migrant workers in Kerala. This is... Kerala's Interior Ministry raps govt on relaxation policy during time 2.0 : After successfully curbing the growth of coronavirus cases, Kerala is in the news again, this time to provide some relaxation during lockdown 2.0. The move, however, drew sharp criticism from the central government, which is working to enforce the lockdown protocols. That's how the story goes. FIRST case of COVID-19 in Kerala The first case of COVID-19 in Kerala was identified on January 30 in Kerala, and since then the speed ... Kerala's Success Story: Reducing the number of CASES involving COVID-19; Increasing recovery rate : The first new case of coronavirus in India was detected in Kerala when a student returned from Wuhan (the epicenter of coronavirus infection in China) tested positive on January 30. A couple of days later, two more positive cases were reported. The medical team kept them in isolation and provided the best medical facilities. All three patients were fully recovered from the infection and were discharged from hospital. But soon the situation took ...
